## Incoming Dog Profile

The following questionnaire provides us with information about how your dog behaved in many different circumstances while he or she was living with you. Because your dog is likely to behave in similar ways in his new home, this information will help us find the most suitable home for your dog and to effectively counsel the new family. Your open and honest answers are very necessary and appreciated, so that we can do careful and successful adoptions.

By signing below, I certify that the information I am about to provide is accurate and truthful to the best of my knowledge.
