CCA 2024 Goals

At the January 29, 2024 meeting, Council for Community Accessibility members established the following goals for 2024 in the areas of Advocacy, Inclusion, and Alliances.

Advocacy

1. Support the official adoption of the Accessible Transportation and Mobility Principles by the City of Bloomington City Council.
2. Promote the rollout of the city-wide ordinance on closed captioning use on TVs in Bloomington, which will take effect on January 1, 2025.
3. Co-host a “Meet the Mayor” event with Stone Belt.
4. Form a working group that includes city leaders to explore how to support those in the community who require personal care assistants.

Inclusion

1. Increase awareness about and donations to the MALL and find a storage location for larger items.
2. Complete the disability brochure/website for Visit Bloomington.
3. Make all Bloomington public accommodation as accessible as possible through adding new fields to accessibility surveys specifically addressing the needs of deaf and blind patrons, offering staff trainings, and bringing parking lots into compliance.

Alliances

1. Increase participation with and efforts to serve the deaf community and other underserved communities
2. Expand the network of CCA partners through engaging in joint efforts with MCPL, SICIL, MCCSC, VITAL, IU ASL Club, Area 10, IU Health, IU Accessibility Educational Services, Habitat for Humanity, ADA Indiana, and member organizations represented at monthly Disability Service Provider Coalition meetings, among others.
