SECTION 1 – REGISTRATION INFORMATION

Registration

- 1) For registration timeline please refer to the appropriate City of Bloomington Parks and Recreation Program Guide or the Softball Webpage <http://bloomington.in.gov/softball>.
- 2) To register, go to bloomington.in.gov/softball and click on the “Managers register their teams online” link AND pay a minimum of half the league fee.
 - Spring Men’s and Women’s Leagues: \$675 for 10 games.
 - Spring Co-Rec Leagues: \$675 for 10 games.
 - Fall Men’s and Women’s Leagues: \$675 for 10 games.
 - Fall Co-Rec Leagues: \$675 for 10 games.
- 3) Team fees can be paid in person at the Parks and Recreation Main Office, 401 N. Morton St., Suite 250. Office hours are 8am-5pm Monday-Friday. Team fees may be paid via credit card by calling 812-349-3700. Checks should be made out to “Bloomington Parks and Recreation”.
- 4) Preliminary rosters with less than 10 players will not be accepted.
- 5) As part of the league registration all teams will be registered with USA Softball.

League Placement

Teams will be placed based on the composite ability of the players on the roster along with previous season results. These placements are determined to be in the best interest of the league and all the teams involved.

Schedules

- 1) Teams will not be placed onto the schedule until fee requirements are met.
- 2) Once schedules are complete, they will be made available online at bloomington.in.gov/softball and sent directly to the team manager who registered the team.
- 3) Any future schedule changes will be posted on the website and emailed to team managers.
- 4) All games will be played at Twin Lakes Sports Park.
- 5) All leagues have the possibility of playing double-headers.
- 6) Teams may need to play on other nights as needed to make up rain-outs.
- 7) Scheduling requests cannot be guaranteed.

SECTION 2 – ROSTER AND PLAYER ELIGIBILITY

Team Rosters

- 1) No roster additions will be allowed during the last two dates of any team's season. (Dates, not games.)
- 2) Teams will be limited to 25 eligible players. Players may be dropped by contacting the League Commissioner.
- 3) Teams will submit a tentative roster online as part of the registration process. These rosters should be sent to cody.martin@bloomington.in.gov, or dropped off in-person at either Twin Lakes Recreation Center or the Bloomington Parks & Recreation main office.
- 4) Additions to the roster after league placement must be approved by the League Commissioner prior to submission of the Final Roster.
- 5) Entire teams may not participate in multiple leagues. A team may play up into a higher league, however, if they play up and finish in the top two places, they may be asked to move to that division in future league play.
- 6) A team, in a specific league, is limited to a maximum of 4 players (with approval) who wish to play together on another team in a different league.
 - a. i.e. the same five players playing on a Rec A team will not be permitted to play together on a Rec B team.
- 7) Random roster audits will take place for all leagues. Cooperation in this matter is required. A team may be audited more than once during the season. All players, including reserve players, must sign the Final Roster before participating.
- 8) All non-active players must be dropped from the roster. Additional players may be added only by approval of the League Commissioner.
- 9) Managers may roster as many players as they need to complete the season, not to exceed 25.
- 10) All players added to the roster after the final roster is submitted must first obtain approval from the League Commissioner and must sign the team roster. To request a roster addition Team Manager should email League Commissioner with the Team Name, Night, League and the new player's name, and any leagues they currently play in or played on last year.
- 11) Guest waivers will be allowed in the Women's League.
 - a. Each women's team will be allowed three guest waivers per season. To use a guest waiver the team manager must email the League Commissioner the day before the game. The League Commissioner will approve the guest waiver via email.
 - b. The manager must show the guest waiver to the site supervisor, the umpire, and the opposing manager before the game. Infractions will result in a forfeit.
 - c. Teams may not use a guest player from the team they are playing against. Infractions will result in a forfeit.

- d. Each player in the women's league can only guest appear once total per season. Any player guest appearing more than once per season will be suspended and the second guest team will forfeit that game.
- e. All guest players must already be playing in the league and must bat last on the lineup card.

Player Eligibility

- 1) Players must be 18 years of age prior to participation.
- 2) Players may not play for two teams in the same league/division.
- 3) Players may play on more than one team providing the teams are in different leagues.
 - a. Administration will not make provisions during the scheduling process to avoid time conflicts for players participating on multiple teams.
- 4) Teams playing in Co-Rec or Men's Rec will be allowed no more than two male players with a USA Softball player classification of D or higher on the roster.

***Exception- Players that are classified as a D player but have NOT played in a tournament in the last two years does not count against a team's limit of two D players.**

- a. To check a player's name go to <https://asp.tournamentusasoftball.com/> (near the bottom) and check for all permutations (Robert, Rob, Robbie, Bob, Bobbie, etc) of the player's name.
- b. Any game in which an illegal player played will be a forfeit and the player will receive a suspension.

Free Agents

- 1) Individuals looking for a team may contact the League Commissioner. Free Agents should include name, contact information, experience, positions, and league/night preferences. No guarantee of placement is made.

SECTION 3 – FIELD, UNIFORMS, & EQUIPMENT

The Field

- 1) Per USA Softball, all slow pitch leagues will play at 70' bases distance.
- 2) All slow pitch leagues will play with a double base at first.

Uniforms

- 1) Uniforms rules will be enforced starting with the first game of the season.
- 2) All players on a team must wear a uniform jersey/t-shirt with a minimum 6-inch numeral located on the back unique to the lineup.
- 3) Shirts must be worn on offense and defense.
- 4) No two players on the same team may have the same number.
- 5) Shoes must be worn. Steel cleats are not permitted at Twin Lakes Sports Park.

- 6) An out will be recorded for any player failing to comply with the uniform requirements each time the player comes up to bat. The player will be allowed to take their turn at bat. If the player would be the 3rd out of the inning, the player will be declared out and not be allowed to bat until the next inning. No additional out will be declared in the next inning.

Bats

- 1) Each team will furnish its own bats.
- 2) Bats on the USA Softball non-Approved Bat List with Certification Marks are automatically disqualified from use
http://usa.asasoftball.com/e/build_batlist_one_page.asp.
- 3) In 2015 USA Softball of Indiana elected to allow "Any legal association stamped bat, not on the USA Softball non-approved bat list, subject to Rule 3.1, that passes the barrel compression test" for play in the USA Softball of Indiana/Worth Power Series and USA Softball of Indiana State Tournaments. With this rule change, we have decided to also allow these bats in league play. We will not allow Senior Bats or bats that show excessive wear including but not limited to, paint chips, cracks, end-cap damage and etc.

Balls

- 1) For non-Co-Rec leagues, two new balls will be furnished for each game. At the conclusion of the game the teams will be given the balls.
- 2) For Co-Rec games, four new balls will be furnished for each game: two 12" and two 11". At the conclusion of the game the teams will be given the balls.

SECTION 4 – FIELD CANCELLATION UPDATES

Rain-out information is also still available by calling the Softball Information Hotline, (812) 349-3610.

Weather updates will be posted by 3pm.

SECTION 5 – BEFORE THE GAME

Start of Game

- 1) Pre-game warm-up is only permitted to take place in the outfield playing area and in designated warm-up areas.
- 2) Games will start at the scheduled time, or upon completion of the preceding game. Game time is forfeit time.
- 3) In instances where a preceding game was completed prior to the expiration of the time limit, teams should be present and ready to play within 10 minutes. No game will start before its scheduled time unless both teams agree to start early.

Minimum Number of Players to Play

- 1) It is the responsibility of the Site Supervisor to declare any and all forfeits for insufficient numbers of players.
- 2) Non-Co-Rec teams must have a minimum of 8 players necessary to start the game with a minimum of 9 players declared on the lineup card.
- 3) Co-Rec teams must have a minimum of 8 players (4 males and 4 females) necessary to start the game with a minimum of 10 players declared on the lineup card.
- 4) If a team is short players at game time, they are automatically the visiting team. If both teams are short players at game time, the number of declared players on a lineup card constitutes defaulting back to the normal coin flip to determine the home team and visiting team.
- 5) At game time, a team with 8 players or less will automatically be assigned as the visiting team.
- 6) Players who arrive late may be added to the lineup.
- 7) If a lineup card is not completed at game time OR ready when the plate umpire is ready for the coin toss, the team shall be declared visitors and the game clock will start.

Traditional Batting Lineup

- 1) Roster declares 10 players. In addition, teams may bat 1 extra player (EP) within a traditional lineup which would bring your lineup to 11 total players. All USA Softball substitution and re-entry rules apply. (All USA Softball rules apply to ejections).
 - a. Example: The non-Co-Rec lineup must declare at least 9 players. If a team starts the game with 8 players, an out is recorded at the bottom of the batting rotation for each player absent from the number declared. When additional players arrive, they must be inserted into the game and placed at the end of the batting order. If a tenth player arrives, that player becomes a substitute.

Optional Batting Lineup

- 1) Teams will be permitted to insert all their players into a continuous batting lineup. If you wish to bat your bench, you must notify the plate umpire when you submit your lineup. Once the game starts you cannot go from a set 10 player lineup to a continuous lineup (bat your bench). Batting your bench is only allowable with a minimum of 12 players. When batting the bench, no substitutes are permitted. Recreational teams are strongly encouraged to bat their bench during league play.
- 2) If you start with the entire team in the lineup (bat your bench), you should finish with the entire team in the lineup. In the event of an ejection, an out will be recorded in the ejected player's spot at bat. Upon the second ejection the game is forfeited. (See USA Softball Rule 5, Section 4 regarding forfeits).

- a. Example: 15 players show up to play. All 15 players will bat continuously with free defensive substitution allowed.

Scorekeeping

- 1) Scorekeepers will not be provided by Bloomington Parks and Recreation for Adult Softball league play.
- 2) The home team is to keep a scorecard to be provided by the home plate umpire before the game and returned to the home plate umpire at the end of the game. Scorecards need not be kept in the dugout, and may be kept by anyone the home team designates. The home team representative shall identify the scorekeeper to the home plate umpire.
- 3) The umpiring crew will have a remote scoreboard controller to change innings, update home and visiting team scores, and to start the game clock. Umpires will periodically check with the designated scorekeeper to ensure that scoreboard information agrees with that contained on the scorecard.
- 4) If a "batting-out-of-order" appeal is made, the home plate umpire will consult with the scorekeeper to determine the validity of the appeal.
- 5) All leagues will play with a 1 and 1 count to start every at-bat.

Lineup Form

A four-part completed lineup forms must be turned into the plate umpire at the plate meeting during pre-game. Lineup forms are available from the Site Supervisor. Lineup forms must be filled out in accordance with USA Softball Rule 4, Section 1; including first and last names and uniform number. Games will not start until the lineup cards are filled out correctly. Umpires have the authority to start the game clock and/or call balls/strikes on teams that do not have a properly submitted lineup card. See example.

Substitution

A starter may re-enter the game once, provided:

- 1) The player must occupy the same position in the batting order.
- 2) In the case of player injury, a substitute who has already played may re-enter in the injured player's place to avoid forfeiture. If there is the possibility of more than one substitute, the opposing team may pick which substitute should re-enter the game.

Courtesy Runner

A courtesy runner will be allowed after the batter-runner becomes a runner. Only one courtesy runner may be used during a team's turn at-bat. The courtesy runner may be anyone listed on the team's lineup card, including substitutes. If a substitute is used as a

courtesy runner, that substitute is not considered to have been in the game. If the courtesy runner is to bat while he/she is on base, the courtesy runner will be removed from the base, an "out" will be declared, and the courtesy runner now takes his/her turn at bat. If the third out of the inning is due to the removal of a courtesy runner, that individual will lead off the team's next turn at bat.

Rule 8, Section 9B [2]: Allows one courtesy runner for each gender in each inning in Adult Coed Slow Pitch Classification of Play.

Rule 8, Section 9C [1]: Adult Slow Pitch: A courtesy runner is officially in the game after a pitch, legal or illegal or a play made.

Pitcher struck by batted ball

In the event a pitcher is struck by a batted ball and has to leave the game due to injury, the bat involved in the incident will be immediately retrieved by the umpires and provided to the Site Supervisor. The bat will then be inspected by the League Commissioner and/or USA Softball Region Umpire in Chief to determine if it has been altered. If the bat is suspected to have been altered, it will then be forwarded to the USA Softball National Office for testing. The player using the bat may face temporary suspension from league and local tournament play pending resolution of the inspections. The bat will not be returned to the owner until inspections have been completed. Should the bat be determined to have been altered, the player using the bat, and the owner of the bat, will be suspended the remainder of that year and the following year from participation in any Bloomington Parks and Recreation Softball League. The USA Softball National Office may enact further suspensions of the player and/or owner of the bat.

Players should be aware that users of an altered bats have been held civilly liable for injuries sustained by a player as a result of being struck by a ball batted by an altered bat.

Home Run Rules

See League Rules Matrix. Home run restrictions apply only to over the fence home runs. No "one-up/progressive" provision is allowed. Players will not run the bases. All balls hit over the fence in excess of the listed limits will result in an out declared on that batter for that turn at bat. Teams are responsible for replacing balls that are hit over the fence. Teams are to replace the ball they hit over the fence with an acceptable ball; brand, size, cover, COR, compression and condition. The COR and compression numbers must be readable. COR/compression numbers for 12" and 11" are .52/300.

Stealing

Stealing is not allowed.

Specific CoRec Rules

- 1) Men's at bat-- See League Rules Matrix. In Weak Hand Leagues men must bat opposite their natural hand (*exception-men over age 70 can bat strong hand). If an opposing team wants to challenge the natural hand of a player they must inform the umpire. The umpire will inform the questioned player to switch to the other side to bat the rest of the game. No additional switching of that player will be permitted.
- 2) The batting order must be alternated, i.e., male bats then female, then male, etc.
- 3) 2 males and 2 females must play in the infield and outfield and may play any position. The pitcher and catcher must be opposite sexes.
 - a. Exception: When starting a game with less than 5 males or females, at least one male and one female must play in the infield and outfield. The pitcher and catcher must be opposite sexes.
- 4) A male must be substituted for a male, and a female for a female.
- 5) ANY WALK TO A MALE BATTER WILL RESULT IN A TWO-BASE AWARD. The next batter (a female) will bat.
 - a. EXCEPTION: With two outs, the female batter has the option to walk or bat.
 - b. NOTE: Should the female batter runner-pass a male batter-runner when choosing to walk, no out shall be called during the dead ball period.
 - c. A male batter-runner advancing to second without touching first base shall be called out if properly appealed.
- 6) Sliding is permitted. However, please be careful to slide only to prevent injury or interference not to cause injury or interference.
- 7) A game may start with no less than 4 males and 4 females. An out is recorded for every player less than 10 in a game. In the event there are an odd number of male or female players, an out is recorded when the same sex bats consecutively. Co-Rec teams may bat their bench providing there is an even number of male and female players. Co-Rec league teams are strongly encouraged to bat their bench.
- 8) When males are at bat, a 12" ball will be used.
When females are at bat an 11" ball will be used.

SECTION 7 – END OF GAME

Regulation Game

A regulation game shall consist of seven innings. A full seven innings need not be played if the team second at bat scores more runs in six and one half innings, and/or before the third out in the last of the seventh inning, or the run ahead rule is applied.

Time Limit

- 1) A 60 minute time limit will exist. The game clock will begin with the release of the first warm up pitch, or one minute after the managers meeting, whichever

comes first. Players are expected to hustle to their positions following the managers meeting.

- 2) No new inning will begin after the 60 minute game time limit has expired. No extension of innings will be allowed except in the case of ties.

Mercy Rule Completion

A game may be called complete in the following situations:

- 1) If a team is ahead by 20 after three innings.
- 2) If a team is ahead by 15 after four innings.
- 3) If a team is ahead by 10 after five innings.

Inclement Weather

The game day Site Supervisor and umpires together may make a decision to postpone or cancel a game in progress due to inclement weather (lightning, rain, etc.). If lightning is identified, play will be suspended for 30 minutes provided there is no additional lightning sighted. Each bolt of lightning restarts the 30-minute delay period. In the event of cancellation due to weather, a game is declared complete if five or more complete innings have been played, or if the team second at bat has scored more runs in four or more innings than the other team has scored in five or more innings. In all situations, the League Commissioner and/or Sports Coordinator are contacted before a final decision is made.

Incomplete Game

Games that are not declared complete (regulation) will be replayed from the beginning at a later scheduled date.

Forfeitures

- 1) Games that are forfeited during the course of a game due to a technical rule violation or games which are forfeited with notification to the sports department at least 24 hours before game time will not have a forfeiture fee penalty imposed.
- 2) Teams failing to give a 24 hour notice are responsible for a \$20 forfeiture fee to be paid before their next scheduled game.
 - a. Sunday league teams must notify the Parks and Recreation Department (812) 349-3774 by Friday at 3pm to avoid a forfeit fee.
- 3) Forfeit fees may be paid at Twin Lakes Sports Park. If a team fails to pay the forfeiture fee before its next game, that game will be declared a forfeit.
- 4) A team who forfeits more than two league games during the regular season is subject to dismissal from the league.
- 5) Forfeit games are scored as a 7-0 result.

SECTION 8 – SPORTSMANSHIP/PLAYER BEHAVIOR

It is the responsibility of team managers to insure that all players have read and understand the provisions of these rules and regulations and those of the Official USA Softball Rule Book. Ignorance of these provisions is not an excuse.

Player Conduct

- 1) Bloomington Parks and Recreation operates a zero tolerance league with respect to unsportsmanlike conduct before, during, and after games. This includes vulgar language and verbal abuse to our staff. Conduct in these categories constitutes ejection without warning. A cornerstone of this program is a clean environment; therefore umpires are instructed to issue ejections on audible obscenities. Please notify your players of this policy before the season starts.
 - a. This handbook is considered a written warning of this policy.
- 2) Any umpire or Bloomington Parks and Recreation staff person is authorized to eject any participant or spectator that disputes the accuracy or judgement of the officials, engages in unsportsmanlike conduct, or violates any park and departmental policies/rules and regulations.
- 3) The manager of the team affected shall be responsible for the removal of the ejected participant from the game. The ejected participant must exit to at least the parking lot (out of the fenced area). The site supervisor will assist in this removal if necessary. **If the offender fails to leave within two minutes from issue of the ejection, game officials will award a forfeit to the opposing team.**
- 4) An offending team that accrues a second ejection within any one game results in a forfeiture of that game (this includes traditional or optional batting lineups **and anyone listed on the final roster regardless if they are playing in a game or not**) regardless of the availability of a substitute.
- 5) Any situation involving participant and/or spectator misconduct shall be referred to the League Commissioner for possible further administrative action; even if the offending parties were not ejected at the time.
- 6) A participant who assaults another participant, spectator, official or staff person, will be dismissed from the league permanently. Violent threats or verbal attacks are considered assaults.
- 7) Any player who throws a bat that may endanger other participants or spectators will be ejected from the game. No prior warning from the umpire is necessary. The batter shall be declared out and runners may not advance.
- 8) No participant or spectator shall be allowed on the premises in possession and/or under the influence of alcohol or drugs.
- 9) City Ordinance 78-48 bans smoking in public places and places of employment within Bloomington. Smoking is not allowed at Twin Lakes Sports Park.
- 10) City Ordinance 14.36.090 prohibits the possession and usage of alcohol at any City-owned property.

- 11) No pets are allowed inside the fenced property of Twin Lakes Sports Park per city ordinance.
 - a. Exception: Service dogs are allowed if properly identified.
- 12) No participant or spectator is allowed in the Umpire Room. Violation of this rule will result in an automatic permanent removal from the Adult Softball Program.
This type of infraction will not be able to be appealed.

Suspensions

- 1) Anyone ejected from the game by an official or staff will automatically receive a minimum one game suspension (this includes all players on the final roster regardless if they are playing in that game or not); further suspension is possible after review from the League Commissioner.
 - a. Additionally, if the participant is rostered with another any other teams, the player is also suspended for that team's next game.

Casual Profanity Rule

Twin Lakes Sports Park is intended to be a place where families can enjoy an evening of softball entertainment without exposure to filthy, humiliating and embarrassing language and gestures. To that end, we are implementing the Casual Profanity Rule. In general, this rule pertains to expletives (vulgar, profane or offensive language which is verbal unsportsmanlike language not directed at the umpires or opposing players. This language is usually uttered by a player out of frustration and loss of self-control.

- 1) The umpire has the authority to assess one "out" per play against the offending team for profanity used by a participant or team representative who is on the field or in the dugout. If, in the opinion of the umpire, these words are audible to the umpire and surrounding players or spectators to the extent that they detract from the values of softball competition based on good sporting behavior and fair play, the umpire may assess a "Casual Profanity Out".
- 2) Actions of participants during the team's final out of their time at bat or prior to them taking the field on defense shall be carried over to the team's next time at bat. Actions of participants during pre-game activities, which occur after the umpires have entered the field of play, will be enforced during that team's first time at bat.
- 3) All outs (charged either while of offense or defense) will be assessed against the offending team during their time at bat.
- 4) Only one casual profanity out may be assessed against a team per play with a maximum of two per time at bat or in the field. Incidents of vulgar or profane language exceeding these limits will subject the individuals involved to ejection from the game for unsportsmanlike conduct.
 - a. A player ejected from the game for exceeding these limits will not have a casual profanity out charged to their team. The casual profanity out will be assessed as a team out and will not affect any action of a batter or base runner. With one exception, no player will be refused a turn at bat or removed from the bases because of a casual profanity out. Casual

profanity outs are administrative outs, similar to those charged because of failure to wear team colors.

- 5) If the team is at bat and unsportsmanlike words are used by a member of the offensive team, a casual profanity out will be declared. If this out is the third out of the inning, the inning is over and the player at bat at the time of the out assessment will be the first batter the next time the team bats.
- 6) If the act is committed by the player at bat, the player will be called out and the player's time at bat is completed. This is the only time a player will be removed from play for casual profanity.
- 7) If the act is committed by the defensive team, the casual profanity out will be assessed during their next time at bat (i.e. Their time at bat will be reduced to two outs or one out depending on the number of casual profanity violations that occurred).
 - a. No defensive team will be assessed more than two (2) casual profanity outs in any half inning. Defensive players who continue to engage in profanity after two casual profanity outs are assessed are subject to ejection.
- 8) Casual profanity outs will be administered during the next dead ball. A delayed dead ball signal will be made by the umpire.
- 9) If the violation occurs in the bottom of the last inning, where the fielding team may not bat again, the ejection rule for unsportsmanlike conduct will be applied. If a team has an eligible substitute, the game may continue.
- 10) A game may be ended on a casual profanity out made by the offense.

SECTION 9 – PROTESTS

Protests

- 1) Only the team manager may discuss a protest with the umpire. Anyone else may be ejected for interference.
- 2) Only protests concerning player eligibility, equipment, a misapplied rule, and ejections/suspension may be filed. No protests will be considered regarding judgment calls.
- 3) In order to file a protest teams must:
 - a. Inform the home plate umpire and Site Supervisor of the protest prior to the next pitch.
 - b. Bring a written protests to the Parks & Recreation Main Office within 24 hours of the incident in question.
 - c. A \$50 filing fee must be submitted with the written protest.
 - d. Protest forms are available from the Site Supervisor.
 - e. In the case of protesting player eligibility or identity, A and B above must be followed. The player must be identified on the spot to the Site Supervisor and the necessary form and fee (B) be submitted. Post-event

calls or inquiries on player identity or eligibility are considered self-policing and will only influence future games.

- 4) The League Commissioner will review the protest and make a ruling.
 - a. If the protest is upheld, the filing fee will be refunded. In that situation the game will resume at the point of protest.
 - b. If the protest is denied, the fee will be retained by Parks & Recreation.

SECTION 10 – LEAGUE SCHEDULES/STANDINGS AND AWARDS

League schedules/standings will be available on the softball page
<http://bloomington.in.gov/softball>.

League awards will be given for the top finisher in each league based on league standings. Should two or more teams tie in the final standings of a league for a position to which awards are presented, there will be no playoff. The tie breaking procedure is as follows:

1. Least number of forfeits.
2. Best percentage in head to head competition.
3. Least number of player ejections.
4. Runs allowed in head to head competition.
5. Runs allowed throughout league play.
